

CURRICULUM VITAE

University of Idaho

NAME: Lanya (Lane) McKittrick

DATE: December 1, 2023

RANK OR TITLE: Clinical Assistant Professor

DEPARTMENT: Center on Disabilities and Human Development; Curriculum and Instruction

OFFICE LOCATION AND CAMPUS ZIP: Boise, 83702

OFFICE PHONE: 206-599-9900

EMAIL: lmckittrick@uidaho.edu

DATE OF FIRST EMPLOYMENT AT UI: July 1, 2022

DATE OF PRESENT RANK OR TITLE: July 1, 2022

EDUCATION BEYOND HIGH SCHOOL:

Degrees:

Ph.D. University of Northern Colorado, Greeley, Colorado, 2019, Special Education,
Dissertation: *Strategies that Mothers of Children who are Deafblind Employ to Foster
Collaboration within Individualized Education Program Teams*

M.A. Gonzaga University, Spokane, Washington, 2012, Organizational Leadership

B.A. University of Washington, Seattle, Washington, 1993, Economics

Certificates and Licenses:

Certificate in Education Finance, Georgetown University, 2020

EXPERIENCE:

Teaching, Extension and Research Appointments:

- 2022 – present: **Clinical Assistant Professor and Director, Idaho Project for Children and Youth with Deafblindness**, University of Idaho, Center on Disabilities and Human Development
- 2020 – present: **Founder, Lane of Inquiry – Deafblind Education Research and Family Support.** Founder of nonprofit organization whose mission is to conduct education research specific to children who are deafblind and their families. Provide family support to families of children who are deafblind. Hold trainings, conduct special education research, and assist families and practitioners.
- 2019- 2022 **Adjunct Faculty, University of Northern Colorado.**
Teach undergraduate and graduate special education courses.
- 2018 – 2022 **Senior Research Analyst, University of Washington, Center on Reinventing Public Education.**
Conduct qualitative research into the effectiveness of special education programs administered within public schools. Conduct family-centered research related to special education.
- 2016 – 2019 **Graduate Research and Teaching Assistant, University of Northern Colorado.**
Conduct qualitative and quantitative analysis of family involvement and satisfaction based on collaboration with their child's IEP teams, ensuring proper administration of Individualized Education Programs (IEP). Perform qualitative research focused on improving academic outcomes for students with dual-sensory loss (deaf-blind) to encourage self-determination skills leading to early student involvement in the IEP

and improved post-secondary transition outcomes.
Teach undergraduate special education courses.

2016 – 2019

Teaching Assistant, Listen and Talk School.

Substitute teaching assistant at an inclusion-based deaf and hard of hearing preschool.

Non-Academic Employment:

2015 – 2016, 2018, 2021-2022

Director of Operations / Grants Manager, University of Washington, Center on Reinventing Public Education.

Lead Center operations, developing strategic roadmaps that facilitated leadership planning, human resource management, finance and budget administration and grant management. Prepare grant proposals and oversee the pre and post-award life cycle and ensuring that grant funds are properly appropriated. Lead center transition to new instituting, handling all grant and human resources transfer documentation.

2009 – 2012

Assistant Vice Chancellor, Budget and Planning/Director of Institutional Analysis and Planning, University of Washington, Bothell.

Evaluate and review performance data to determine compliance of curriculum, facilities and allocation of resources with University and College accreditation regulations. Implement strategic growth planning to increase campus enrollment in spite of diminishing state funding. Develop integrated financial and enrollment plan that optimized campus enrollment from 3,000 to 10,000. Managed campus budgets and oversee college resource allocation. Member of the Chancellor leadership cabinet.

2004 – 2020

Founder, Hear See Hope Foundation.

Launch campaigns to raise awareness for Usher Syndrome, the leading genetic cause for deafblindness. Support research into a cure for Usher Syndrome. Manage all grant and non-profit programs soliciting steady revenue streams. Foster relationships with other related organizations. Serve as an advocate for families, leveraging personal experience raising two children who are deafblind, to help others who are on this journey to improve educational experiences.

2000 – 2005

Assistant Director – Finance, University of Washington Real Estate Office.

Consulting:
2022

Family Engagement Specialist, Washington state Deaf-Blind Program, Washington State School for the Blind.

Oversee and create family engagement initiatives for Washington state's Deaf-Blind program. Participate in national family engagement visioning. Provide technical assistance to families.

1993 – 2000

Various real estate and finance consulting projects/employment

TEACHING ACCOMPLISHMENTS:

Areas of Specialization:

Deafblindness
Collaboration
History of Disability
Individualized Education Programs
Special Education Law

Courses Taught:

EDSP 426, University of Idaho, The Individualized Education Program (Spring 2023)

EDSE 203, University of Northern Colorado, The Individualized Education Program and the Collaborative Process (Spring 2018 -Spring 2022)
 EDSE 510, University of Northern Colorado, Introduction to Special Education (Summer 2019, Summer 2021)
 EDSE 201, University of Northern Colorado, Culture of Special Education (Fall 2019, Spring 2020, Spring 2022)

University of Idaho Professional Development Courses Taught:

Co-Teaching and Collaborating in Inclusive Schools (Fall 2022, Spring 2023, Summer 2023, Fall 2023)
 Developing Meaningful Educational Programs for Students with Multiple Disabilities and Complex Communication Needs (Fall 2022, Spring 2023, Summer 2023, Fall 2023)
 Don't We Already do Inclusion (Fall 2022, Spring 2023, Summer 2023, Fall 2023)
 Twenty-Five Things to Remember about Social Skills (Fall 2022, Spring 2023, Summer 2023, Fall 2023)
 What Aren't You Paying Attention: Influences & Outcomes (Fall 2022, Spring 2023)
 Multi-Sensory Approach to Literacy (Fall 2022, Spring 2023, Summer 2023, Fall 2023)
 Closure, Ambiguity, & Stress (Spring 2023, Summer 2023, Fall 2023)

Courses Developed:

The Individualized Education Program and the Collaborative Process (updated course, converted to online format)
 Culture of Special Education (converted to online format)

Milan, K., McKittrick, L., & Kalos, M. (2018). Self-determined Learning Model of Instruction training module, *Educational support: Self-scheduling*. Developed for the University of Kansas.

Non-credit Classes, Workshops, Seminars, Invited Lectures, etc.:

Honors and Awards:

SCHOLARSHIP ACCOMPLISHMENTS:

Publications, Exhibitions, Performances, Recitals:

Peer Reviewed/Evaluated:
