

We Are Getting An Upgrade!

We are in the final stages of our remodel! This shouldn't affect our classes too much! Locations may vary while we are finishing up. Please make sure to check your Remind for any updates!

Our Cancellation Policy

Going forward, our cancellation policy will be as follows:

If you call or send us a Remind a week prior to the date of the class, you will receive a credit towards your next class for the full amount.

Cancellations less than a week will receive no credit due to the purchase of supplies. If possible, materials for the class can be provided to complete at home. Certain uncontrollable circumstances will qualify for a full credit, after the week prior deadline. These will be reviewed by office staff on a case-by-case basis.
