4-H Opportunities

4-H CLUBS

Benewah County 4-H has 15 community and family clubs that are open to youth 5 - 18 years of age. From archery to veterinary science, our volunteer leaders are here to help your child explore their world! Through active 4-H club participation, youth learn more about their projects, the career options in those fields as well as more about themselves while giving presentations, joining in club activities and participating in community service projects.

"4-H taught me responsibility and confidence in myself"
