

# Card Making

Name: \_\_\_\_\_

To achieve success in this project the skills listed below will help 4-H leaders know what to teach and 4-H members to know what they need to learn. Have your leader initial and date each skill as completed.

## Level 2

Date and check each activity as you complete it.	Approved by	Date completed
Develop your personal storage system for organizing your equipment and supplies.		
Use for different adhesives such as glue pens, glue sticks, adhesive tabs, spray adhesive, rubber cement, photo corners, adhesive dots or double sided tape when making cards. Discuss the advantages and disadvantages of each.		
Experiment with lettering using hand drawn, stenciled, diecut or computer generated lettering.		
Use descriptive captions on your cards		
Experiment with embellishments. Incorporate some of the following on your cards: <ul style="list-style-type: none"> <li>• Stamping (advanced techniques)</li> <li>• Paper Piecing</li> <li>• Punch art</li> <li>• Die cuts (advanced techniques)</li> <li>• Eyelets</li> <li>• Computer clipart, hand drawn pictures or images from other sources</li> <li>• Textured papers and fabric</li> <li>• Objects of nature such as pressed leaves, flowers, small seashell, bark, gravel, etc.</li> </ul>		
Use patterned or textured papers or fabric as background for your card.		
Create a pocket page type card.		
Learn about using negative space and learn to create a pop-up card.		
Learn and practice one of the following techniques <ul style="list-style-type: none"> <li>• Silhouetting</li> <li>• Puzzling</li> </ul>
