Breeding/Vaccinations/Medicines information:

COUNTRY OF ORIGIN LABELING (COOL) AFFIDAVIT: COOL Law became mandatory September 30, 2008. 4-H & FFA market livestock (beef, sheep, swine, and goat) projects must provide information to document animal origin to buyers. All projects should also maintain a record of animal(s) sold one year from the date of sale.

As an affidavit is deemed by USDA as an official record of Country of Origin, I attest through first-hand knowledge, normal business records, or producer affidavit(s) that all livestock referenced by this "bill of sale" are of _____ origin.

IDAHO YOUTH LIVESTOCK PROGRAM

COMMITMENT TO EXCELLENCE

Please read, mark each statement, sign and date

- I believe that participation in the Idaho Youth Livestock Program should demonstrate my own knowledge, ability, and skill as a feeder and exhibitor of livestock.
- I will do my own work to the full extent of which I am capable and otherwise will only accept advice and support from others.
- I will not use abusive, fraudulent, illegal, deceptive, or questionable practices in the feeding, fitting, and showing of my animal(s), nor will I allow my parents, my supervisor, or any other individual to employ such practices with my animal(s).
- I will read, understand, and follow the rules, without exception, of all livestock shows in which I am a participant and ask that my parents and the leader of my project do the same,
- I wish for my livestock project to be an example of how to accept what life has to offer, both good and bad, and how to live with the outcome.
- I realize that I am responsible for:
 - ✓ the proper care and safe humane treatment of my animals,
 - ✓ the production of a high quality, safe, and wholesome food,
 - ✓ demonstrating strong moral character as an example to others.
- I consent to having my animal(s) subjected to drug testing.
