

Debbie Ailor - Custodial Day Coordinator

14 December 2023

Debbie is the University of Idaho's quick responder. If we have a bathroom out of any paper supplies or a flood that needs responded to. She's always right there in no time, with a cheerful attitude... Thank you, Debbie, for being such an asset to the University. "You're Awesome"

Charles Hatfield - Customer Service Rep II

20 December 2023

I am temporarily working from an office in the Facilities building and being fairly new to the university I had never been inside that building before. Chuck went out of his way to make me feel welcome and get me access to everything I needed. His customer service skills with his co-workers and visitors are amazing! He is kind and helpful to everyone! He is a valuable asset to Facilities and the university.

ORED Fiscal and Administrative Teams - ORED

21 December 2023

ORED Fiscal and the ORED Vice President's office administrative team are incredible. They are responsive, kind, organized, and help with anything and everything to keep ORED running smoothly. They assist all of the personnel and units under ORED and never make anyone feel like their request is too small or too burdensome. They also assist in on-boarding new staff and coordinating job postings, and they do an amazing job at all of this, and always with a smile and professionalism. I am SO very grateful for them.
