

# Snowy Conditions Overnight COMMUTER Parking Map

Overnight parking in Commuter lots (Gold, Orange, Red & Blue) **ALWAYS** requires a valid **Overnight/Early Morning parking permit in addition to a color-specific commuter permit**. For vehicles with these valid permit types, **parking during snowy conditions is available ONLY in areas highlighted in blue on this map and described below at left.**

Parking in RESIDENTIAL lots (Silver, Purple, Magenta, Green & Economy) is NOT affected by these restrictions.

**Vehicles with valid RESIDENTIAL permits can park in corresponding color-coded lots in any regular space that does NOT have a snow pole.**

Blue highlighted areas indicate overnight parking for individuals with Gold or Overnight permits during snow and ice conditions. Parking in areas other than these may result in citation and/or towing. An Overnight parking permit is required to park between 2 a.m. and 6 a.m. in all Gold, Orange, Red or Blue commuter lots.
